**Subject:** EPA Budget Hearing

The Interior, Environment, and Related Agencies Subcommittee will hold a hearing on the President's FY 2018 Budget for the US EPA on Thursday June 15<sup>th</sup> starting at 9:30 am. The

agency witness will be Administrator Scott Pruitt.

We would like to know if the Congressman will be attending the hearing and, if so, any potential questions or areas of inquiry he may pursue with the Administrator. Our goal will be to be as responsive as possible at the hearing.

Although I may have sent to you before, below is the link to the “Congressional Justification” and the “Budget-in-Brief” documents. I have also attached a copy of the press release from the budget rollout.
